### MEMORANDUM

**TO:** George M. Burgess, County Manager

**FROM:** Jose "Pepe" Diaz, Chairperson, Tourist Development Council

**DATE:** May 31, 2007

**RE:** Sunset Review of County Boards for 2007-Tourist Development Council

---

Pursuant to Section 2-11.40 of the Code of Miami-Dade County, I am submitting the 2007 Sunset Review of County Boards Report for the Tourist Development Council for transmittal to the Board of County Commissioners (BCC). The Board approved the attached report at its meeting of April 10, 2007.

It is recommended that the BCC approve the continuation of the Tourist Development Council.

### **BACKGROUND**

On April 4, 1978, the Board of County Commissioners adopted Ordinance No. 78-28 establishing the Tourist Development Council. The mission of the Miami-Dade County Tourist Development Council (TDC) is to develop and promote Miami-Dade County's appeal as a tourist destination, primarily by supporting tourism-related activities and programs. To accomplish this mission, the TDC invests its resources in tourist-oriented, cultural and special events such as visual and performing arts, including theater, concerts, operas, dance, festivals, art exhibitions and recitals; sports events; broadcast and electronic media origination projects; and other tourist-related activities.

Since its inception, the TDC has invested its annual appropriations in support of programs and projects, which promote Miami-Dade County tourism. These investments have contributed significantly to Miami-Dade's attractiveness as a distinctive tourist destination, one which possesses an active, year-round calendar of interesting and unique activities, with world class venues and cultural institutions, and a caliber of programmatic offerings characterized by artistic excellence and popular appeal. The importance of supporting and promoting these assets and their positive impact on Miami-Dade's image as a premiere tourist destination is demonstrated by the steady annual growth in Miami-Dade's tourism figures and the international reputation the County has earned as a culturally rich, dynamic and exciting place to visit.

It is recommended that the Board approve the continuation of the Tourist Development Council because Miami-Dade County is the direct beneficiary of the invaluable and incalculable contributions made by Council members in the form of their time, expertise and voluntary contributions made in support of advancing Miami-Dade County's tourist development, investments, and policies.

The Chairperson and its members approved the Sunset Review of County Boards Report at its meeting of April 10, 2007.

**3. What are the board's major accomplishments?**

**a. Last 24 months:**

See Attached "TDC Activity Summary Worksheet" - Attachment IV.

**b. Since established:**

Since its inception, the TDC has invested its annual appropriations in support of programs and projects which promote Miami-Dade County tourism by sponsoring tourist-oriented sports, cultural and special events such as visual and performing arts including theater, concerts, recitals, opera, dance, art exhibitions, festivals and other tourist-related activities. These investments have contributed significantly to Miami-Dade's attractiveness as a distinctive tourist destination, one which possesses an active, year-round calendar of interesting and unique activities, with world class venues and cultural institutions, and a caliber of programmatic offerings characterized by artistic excellence and popular appeal. The importance of supporting and promoting these assets and their positive impact on Miami-Dade's image as a premiere tourist destination is demonstrated by the steady annual growth in Miami-Dade's tourism figures and the international reputation the County has earned as a culturally rich, dynamic and exciting place to visit.

**4. Is there any other board, public, or private which would better serve the function of this board?**

No.

**5. Should the ordinance creating this board be amended to better enable the board to serve the purpose for which it was created? (Attach proposed changes, if answer is "Yes")**

7. **What is the operating cost of the Board, both direct and indirect (Report on FY 2006 and FY 2007)?**  
The TDC board serves in a fully voluntary capacity; there is no specific county budget for the board itself. The Department of Cultural Affairs staff serves the TDC in developing and implementing County cultural tourism and special events policy. The County is the direct beneficiary of the invaluable, incalculable contributions made by Council members in the form of their time, expertise and voluntary contributions made in support of advancing Miami-Dade County's tourist development, investments, and policies.
8. **Describe the Board's performance measures developed to determine its own effectiveness in achieving its stated goals.**  
The TDC evaluates all requests for support presented to it on the basis of the impact of the event in promoting Miami-Dade County as a visitor destination, including the amount of anticipated media coverage, nationally and internationally, the effectiveness of the proposed marketing strategy, and the financial viability of the event's presenter(s). Each grant contract entered into by the TDC stipulates concrete reporting requirements, eligible uses of TDC/County funds, and clear objectives for promoting and marketing Miami-Dade County as an attractive destination to visit. The submission of reports and paid invoices required to substantiate grant payments thus provides tangible evidence as to the promotion and advertising being accomplished on behalf of the County, the broad reach of programs locally, nationally, and internationally, and the impact of funded activities on the local tourism industry.

**MEMORANDUM**

To: Armando Vidal, P.E.  
County Manager

FROM: Stephen A. Stieglitz  
Assistant County Attorney

RE: Appointment of chair of the  
Tourist Development Council

DATE: November 12, 1996

---

A question has arisen as to whether the Mayor of Dade County has legal authority to appoint the chair of the Tourist Development Council. The framework of the Tourist Development Council is established by Florida Statute §125.0104 which provides in Section 4(a) that:

The chair of the governing board of the County or any other member of the governing board as designated by the chair shall serve on the council.

In the present case, the "governing board" is the Dade County Commission. Under the current structure of Dade County government, the mayor does not sit as a member of the County Commission and is therefore not the "chair of the governing board" as contemplated by the statute.

With regard to the selection of the chairperson of the Tourist Development Council, the statute provides:

The governing board of the County shall have the option of designating the chair of the council or allowing the council to elect a chair.

The statute therefore allows the County Commission, by majority vote, to appoint the chairperson of the TDC from among its nine members or to allow the TDC to elect its own chairperson.

Section 2-250 and 2-251 of the Dade County Code provide that "the Mayor of Dade County" shall be the chairperson of the Tourist development Council. These ordinances were enacted in 1978 at which time the mayor of Dade County was a member of the County Commission [governing board] and therefore eligible to sit on the Tourist Development Council. The mayor was then the "chair of the governing board of the County..." Since the mayor under the present system is not a member of the governing board, the provisions of Sections 2-250 and 2-251 of the Dade County Code are in conflict with the statute referred to above and are

therefore of no continuing legal effect insofar as they provide that the mayor shall be the chairperson of the Tourist Development Council.

It was moved by Commissioner Bower that the Council approve the foregoing report as presented. This motion was seconded by Mr. Caliendo and upon being put to vote, passed 8-0. (Council members: Mr. Cozonis and Mrs. Llerandi were absent).

Chairman Diaz recommended that statements from representatives of the organizations be included in the agenda along with the introductions.

### IV. Reports and Discussion Items

#### A. Updated Budget/Financial Position and Funding Recommendations for FY2006-07 Second Funding Period

Mr. Spring noted that today's (4/10) meeting was unusual for the TDC because the agenda included the Second and Third Quarter Funding periods. Mr. Spring noted that the TDC could not meet in the Second Quarter due to the transition between the positions of Commissioners Barreiro and Diaz as Chair of the TDC.

Mr. Spring advised the TDC members that the Second Quarter-Funding period and the annual fiscal budget of the TDC was approximately \$1,015,000. He stated that several grants were not used in the last fiscal year and upon recycling them back into the funding pool the budget for the entire year would be approximately \$1,079,000 for this Second Funding period.

Mr. Spring noted that the Second Funding period was between January and March 2007. He said 26 applicants had requested approximately \$456,000 and twenty-four (24) of the applicants were non-profit

## ATTACHMENT III

organizations and two (2) of the applications were from for-profit organizations. He noted that seven (7) applicants were new and seventeen (17) of the organizations were continuing projects and were applied to the 10% reduction formula. Additionally, two (2) applicants were eligible for the on-going category (non-profit organizations that have completed a 5 year TDC funding cycle).

Mr. Spring noted that the TDC Subcommittee recommended funding in the total of \$231,350 for 26 applications and would leave approximately \$152,941 in the reserve account in addition to the budget for the third and fourth quarter. He further noted that a \$50,000 shoulder season fund existed as well.

### V. Citizen's Presentations

Mr. Spring asked that the TDC members review the applications and hear a brief statement from the representatives of the organizations.

##### Final Recommendation

\$15,000

##### VI.G-1. City of Miami Gardens

Mr. Horace McHugh, representing the City of Miami Gardens, appeared before the Council, and provided an overview of the 2<sup>nd</sup> Annual Jazz in the Gardens Music Festival. He noted this was two-day event featuring multi-cultural arts in jazz and attended by well over 5,000 people. Mr. McHugh requested consideration for an increase recommended amount of \$15,000 for its grant request.

Concerning Chairman Diaz's question as to whether this organization was for-profit, Mr. McHugh said it was non-profit and part of the City's events. He noted that sponsors had been asked to assist in underwriting; consequently, being in the second year, the track record was unable to attract sponsors. Mr. McHugh noted the first year of operation the organization focused on breaking even. He pointed out that provisions were made for community participation and tickets were provided to at-risk youth to attend the event.

It was moved by Commissioner Bower that the Council approve the (FY) 2006-2007 Second Quarter Funding recommendation for Agenda Item VI.G-1., City of Miami Gardens for the recommended amount of \$15,000. Ms. Joyce Spill, representing the Center for the Advancement of Jewish Education appeared before the Council and presented an overview of the Festival. She noted that the event featured 15 celebrities and other special events held by this organization along with the marketing efforts. Ms. Spill requested an increase for its grant request.

Mr. Spring suggested that the entire list of organizations be presented with the exception of those where a conflict of interest existed and that the applicants who were already granted a recommended amount would be notated on the list. He also noted that the conflicts of interest would be removed.

Concerning Commissioner Bower's question regarding the latitude to enhance the budget request of these organizations, Mr. Spring noted that a reserve of funds had been available and after the Third Quarter the remaining funds could be used to make adjustments to grants chosen by the TDC.

He explained that today (4/10) the TDC would act on the Second and Third Quarter-Funding period. Mr. Spring noted if no adjustments were made to the aforementioned funding quarters there would still be a remaining reserve of funds in addition to the budget amount for the fourth quarter.

Commissioner Bower requested that the recommended grant for Agenda Items VI.A-12, South Florida Composers Alliance and VI.A-1, Center for the Advancement of Jewish Education be increased to the foregoing amount.

Mr. Spring noted that the reserve account approximately totaled \$150,000 and additional funding requests would not jeopardize the reserve budget.

Mr. Caliendo requested that the recommended grant for Agenda Item VI.A-8, Miami Design Preservation League, Inc. be increased for the foregoing grant in the amount of \$20,000.

In response to Mr. Caliendo's question regarding the number of times an organization could apply for funding in a quarter, Mr. Spring stated that an event oriented funding organization could apply once a year for a grant from the TDC. He noted that universities, colleges and governments would be representing multiple events and were permitted to apply for each event during the appropriate quarter of the year; however there were limitations of two applications and specific departments per year.

Discussion ensued among the TDC members regarding the request to increase the recommended grants for the foregoing Agenda Items.

It was moved by Commissioner Bower that the Council approve an increase in the FY 2006-07 Second Quarter Funding recommendations for the foregoing Agenda Items VI.A-1 Center for the Advancement of Jewish Education from \$5,000 to a recommended amount of \$6,000 and VI.A-12 South Florida Composers Alliance with the recommended amount of \$6,500. This motion was seconded by Mr. Blumberg, and upon being put to vote, passed 8-0. (Council members: Mr. Cozonis and Mrs. Llerandi were absent).

	<b>\$15,000</b>

Ms. Beth Sobol, representing the Council of Latin American Fashion Designers, Inc. appeared before the Council and presented an overview of the event that had been taken place for the past eight years in the City of Miami Beach. Mr. Blumberg expressed his concern regarding the non-collaborative relationship that the two Cities had and he respectfully spoke in opposition of the lost of the grant totaling \$50,000 by this organization. He pointed out that the TDC had already approved certain grants from funding sources from Miami for functions that would take place on Miami Beach.

Mr. Blumberg noted that since the time of his membership with the TDC Council he had asked that a reciprocal type of situation be developed for these types of events. He also questioned whether it was appropriate that the entire VCA Grant be withdrawn from an organization that had been partners for 9 years. Mr. Blumberg emphasized that the Council had to assist in providing the lack of funding to this event and simultaneously had awarded monies to events that were held in Miami Beach.

In response to Mr. Blumberg's comments, Commissioner Bower noted that many attempts were made to address this issue and she suggested that the TDC members send a letter.

Following the discussion, Chairman Diaz recommended that the TDC members reach out to the State representatives to address this issue.

Mr. Spring suggested that representatives of the VCA be invited to one of the meetings and discuss which organizations would be funded by both entities.
